To Whom It May Concern.

I am writing this letter to highly recommend Mr. Rozh Hazhar Qadir, a sixth-year medical student, who completed his practice at the Sulaimany Private Cathlab Center in Sulaimany, Kurdistan Region, Iraq. Mr. Qadir was an invaluable addition to our team during two periods: from July 4th, 2022, to September 29th, 2022, and from June 19th, 2023, to August 17th, 2023.

Throughout his time with us, Mr. Qadir consistently demonstrated exceptional dedication and enthusiasm in the field of interventional cardiology. He actively participated in our department's work. Mr. Qadir's performance was exemplary, combining both clinical acumen and a strong work ethic.

He consistently displayed professionalism and exhibited excellent moral character when interacting with our patients and fellow colleagues. His compassionate and empathetic approach in providing care was truly commendable. Based on his outstanding performance during his tenure at our center, I have no doubt that Mr. Qadir possesses the qualities necessary for a successful career in the medical field. I wholeheartedly recommend him for any future endeavors he pursues.
