Certificate of Attendance

University of Groningen Summer Schools

This is to certify that

Ivan Horný

has successfully completed the Medical Sciences Summer School

Oncology

During this Summer School, a varied educational program was followed, including education on clinics and research in different fields of oncology. This was presented in the form of (patient)lectures and workshops given by professors and doctors from the UMCG. In addition, a scientific assignment was presented by the students.

Groningen, 17 July 2024
