

Subject: Recommendation Letter for Dr. Timotej Kotvan

To whom it may concern

I am writing to wholeheartedly recommend Dr Tomotej Kotvan for who is applying for the position in the field of Gynecology and Obstetrics at Department of Obstetrics and Gynecology, University Hospital Olomouc . I have had the pleasure of supervising Dr Kotvan during his rotation at the Medical University of Graz, Department of Obstetrics in a period 08.07.2024 until 02.08.2024 and I have been consistently impressed by his knowledge, dedication, and compassion in the field.

Dr. Timotej Kotvan has demonstrated a deep understanding of both the theoretical and practical aspects of gynecology and obstetrics. His ability to apply complex medical knowledge in real-world situations has been exceptional, and he consistently shows a strong commitment to providing high-quality patient care. He approaches every case with a combination of empathy, professionalism, and meticulous attention to detail, which are crucial qualities in this specialty.

One of the qualities that set Dr Kotvan apart is his ability to perform under pressure. He has been involved in a specific experience / managing high-risk pregnancies, participating in complex surgical procedures, assisting a difficult Operations, etc./, demonstrating not only technical proficiency but also the ability to make sound clinical judgments in challenging situations.

Furthermore, Dr Kotvan has shown a strong commitment to continuous learning and professional development. He had actively participated in specific activities such as our internal medical conferences, which reflect his dedication to advancing his knowledge and contributing to the field.

In addition to Dr Kotvan's clinical skills, he possesses excellent interpersonal skills, working effectively with patients and the healthcare team. He has been respected by both peers and mentors for his collaborative spirit and willingness to go the extra mile to ensure the best outcomes for patients.

I am confident that Dr Kotvan will be an asset to any program or institution fortunate enough to have him. His passion for women's health, coupled with a solid foundation of medical knowledge and a genuine care for patients, makes him an good candidate for advanced training in gynecology and obstetrics.

Please feel free to contact me if you require any further information. I am happy to provide additional details to support this strong recommendation.

Sincerely,

Dr Gordana Tomasch, Msc
