

To the University Hospital of Olomouc,

I am Dr. Svetlana Lisitsin, an Internal Medicine specialist at Galilee Hospital, Nahariya, Israel, License Number 23442.

I confirm that Mr. Mark Sidorenko, born on December 16, 1995, visited our hospital several times during the summers of 2022 and 2023 to gain practice and experience. During these visits, he demonstrated genuine enthusiasm and high motivation to learn about internal medicine. He approached each opportunity to observe and participate with curiosity and a strong desire to expand his knowledge. His positive attitude and willingness to engage made a good impression on our team.

I fully support Mr. Sidorenko and believe he has the qualities needed to succeed in his future endeavors.

Sincerely,

Dr. Svetlana Lisitsin
