Hello dear Sir,

thank you for your checking and finding IBAN + SWIFT code. The patient No 16 was paid, it was checked. I haven't received any information from the economy department yet.

Dear Sir,

thank you for information you received from Islamic bank. I sent the request for IBAN + SWIFT code of our Czech bank to the economy department. Will see what is going to be theirs answer.

You shall consider to send us your bank details once again to be checked, if it's the same as in the invoices. On top, in the transfer list (that was sent to you some days ago) is seeing your IBAN +SWIFT code (you can check), so it means, all the payments were sent.

You haven't answered me how do you know the patient No 16 was not paid? That's strange to know, if you haven't received any payments. By the way, it was checked again today to exclude an error in the payment. The patient No 16 was paid!

thank you

Lenka Obare
