Object: Sanofi coverage for future/ongoing studies (and all its affiliates acting as sponsor)

Dear Madams, Sirs,

The current Sanofi liability program expires on April 30th, 2024 and Sanofi Corporate Insurance Department is finalising the renewal process with its insurers.

Therefore,

- for the clinical studies starting after May 1st 2024,
- for the on-going clinical studies with a certificate with end-date April 30th,

the insurance certificate will be available from May 1st 2024.

We hope that the Ethical Committee and health authorities will understand this situation which is a normal one and is not different from what has been done in the previous years.

Yours faithfully,

Cyril Lelarge
Corporate Insurance
