**Vystaveno-odesláno dne :** 15.10.2019**Informace pro odběratele tepelné energie**

Postup pro výpočet odebrané tepelné energie v případě poruchy měřidla je uveden ve smlouvě.

V případě výměny měřidla v průběhu zúčtovacího období bude množství tepelné energie stanoveno jako součet odebraného množství tepelné energie dle měřidla původního a nového. Pokud v mezidobí od demontáže měřidla původního do instalace měřidla nového nebude dodávka měřena, bude množství stanoveno jako v případě poruchy měřidla.

Pro odběratele se sjednanou cenovou doložkou jsou údaje potřebné pro výpočet jednotlivých složek ceny tepelné energie uvedeny ve smlouvě a jejich přílohách.
